Instructions for Form 384, *Exempt Production and Value Report*

This form is to be used **ONLY** when claiming an exemption on Form 381, *Oil Severance Tax Return*, and Form 382, *Gas Severance Tax Return*.

Wells reported on this form are to be **ONLY** those wherein the State of Michigan, the government of the United States or any political subdivisions receives proceeds.

The gross production and value must be reported and included on Form 383, *Production Report*, for acceptance as an allowable deduction on this form.

Box A.) Enter the filer's legal individual or business Name.

Box B.) Enter the filer's nine digit Tax Identification Number.

Box C.) Enter the two digit Month of the filing period reported.

Box D.) Enter the four digit Year of the filing period reported.

Box E.) Enter the Page number of the Report being filed.

Box F.) Check only **one** fuel type per form.

Column 1 - Enter Name of the Producer.

Column 2 - Enter the Name and County of the Well.

Column 3 - Enter the OGS (Office of Geological Survey) assigned Permit Number or PRU for each well.

Column 4 - Enter the Gross Production for the Well reported. The Gross Production in this column must agree with the gross production on Form 383.

Column 5 - Enter the name of the exempt entity. The entity must be shown by name. Example: State of Michigan, City of Albion or U.S. Government.

Column 6 - The exempt entities' share must be shown by fractional or decimal amount. Example: 1/8 or .125.

Column 7 - Determine the exempt production for each Well. Multiply column 6 by Column 4 to arrive at the amount for Column 7. The grand total of Column 7 will be forwarded to Form 381 or Form 382, Column 1, as follows:

Form 382

Gas Production: Line 2

NGL's Production: Line 6

Condensate: Line 10

Form 381

Crude Oil (Regular Wells): Line 2

Condensate (Regular Wells): Line 6

Crude Oil (Stripper and Marginal Wells): Line 10

Condensate (Stripper and Marginal Wells): Line 14

Column 8 - **This Column must agree with the Unit Price shown on Form 383.**

Column 9 - Multiply Column 7 by Column 8, to arrive at the amount in Column 9. The grand total of Column 9 will be forwarded to Form 381 or 382, Column 2 as follows:

Form 382

Gas Production: Line 2

NGL's Production: Line 6

Condensate: Line 10

Form 381

Crude Oil (Regular Wells): Line 2

Condensate (Regular Wells): Line 6
